of Probate says: "Fortunes accumulated by years of toil often shrink with amazing rapidity in the hands of incompetent next of kin, and the beneficent provisions of wills are in many cases defeated by improvident and ignorant administration." A word to the wise is sufficient, and multiplication thereof to the unwise is a waste. 66th year, doing business in 41 states.

## Keep Thinking About It.

Cough Syrup that are constipating leave the stomach and bowels in a dangerous condition. A cough syrup that is a laxative is sure to give better results. Lix-all is a laxative, and if it fails to cure your cough or cold we will pay back your money.

D. F. Davis, Barre. E. A. Drown, Barre. F. A. Ainsworth, Williamstown.

## THE SALOONS AND NEW LAW.

Montpelier Holds Provisions of Amended Law Go Into Effect at Once.

Montpelier, March 1.—The tables and cigars were taken out of the saloons today. Innkeepers still sell cigars, but no other licensee can conduct any other business in connection with their saloons. After a conference with City Attorney Carleton last evening, the license commissioners notified the licensees that certain restrictions which were made in the new law that went into effect today became operative at once.

These restrictions required that saloons of the first class shall close at 10 o'clock and those of the second class at 7 o'clock; tables shall be taken out and all other business connected with saloons and second class places, except innholders, given up.

License commissioners in other towns have interpreted the law differently than in Montpelier. They will permit the licensees to continue as before until their licenses expire. Under the ruling of the Montpelier commissioners there is no question at all in the case. The local commissioners came to this decision as they consider it the safest way to proceed.

## SIFTON RESIGNS.

Canadian Minister of the Interior Opposed to School Bill.

Montreal, March 2.—The Hon. Clifford Sifton, Minister of the Interior of the Dominion Government, has resigned. Sifton is one of the most prominent members of the government. His resignation is the result of the introduction of the educational clause in the Northwest Autonomy bill. He considers that the clause establishes a dual system of schools which goes far beyond that which is established in Northwest territories, and furthermore seeks to divert a portion of a very large fund which will arise from the sale of school lands in Northwest territories. This fund constitutes an endowment provided by Parliament for public schools.

Sifton declines to support any proposition for the diversion of this fund from the control of the Provincial Legislatures.

It is not known what action the government will take in view of his resignation, which was announced in Parliament yesterday afternoon.

## OLD MAN DROWNED IN SPRING.

The Peculiar Fate of Dennis Freeman, of Moretown.

Moretown, March 2.—The funeral of Dennis Freeman, an aged resident of this place, was held at 10:30 o'clock Tuesday forenoon. Mr. Freeman, while cleaning the spring near his barn, fell in and was drowned. Mrs. Backus, a woman living near, noticed that he had been gone from the barn a long time, and called a boy to look for him. The boy, finding him in the spring, ran to the postoffice for aid and Mr. Henson and Mr. Johnson took the aged man from the spring.

The Rev. O. B. Wells took the sad news to the aged and almost crippled wife.

The children, William and Emily, of Boston, and Mrs. Orpha Wheelock of Wilmington, arrived Monday.

Collins M. Graves for Postmaster.

Bennington, March 2.—A telegram from Congressman D. J. Foster to the Evening Banner this morning states that he has recommended the appointment of Collins M. Graves as postmaster at this place at the expiration of Arthur J. Dewey's term. Mr. Graves is the representative in the legislature Bennington. Mr. Dewey has held the office eight years. His term expires next February.

## A CASE OF IT.

## Many More Like It In Barre.

The following case is but one of many similar occurring daily in Barre. It is an easy matter to verify its correctness. Surely you cannot ask for better proof than such a conclusive evidence.

Mrs. Wm. L. Huntington (W. L. Huntington, granite cutter, address High Holborn, says: "A friend insisted upon my using Doan's Kidney Pills. From the amount of faith he evinced in the remedy I was induced to go to E. A. Drown's drug store for a box. I badly required just such a remedy as Doan's Kidney Pills proved to be, for I had been annoyed with kidney complaint for an indefinite period. The pain across my back and hips was very severe. If I stooped or straightened myself, or when the sharp twinges were not in evidence, there was a continual dull aching. Added to the backache was a trouble with the kidney secretions, a sure indication that the action of the kidneys in some way must upset. I knew after the completion of the first box, from the direct action of my kidneys, that I had at last got hold of the remedy I badly wanted, or I never would have bought a second nor a third box. To say I am pleased at the results I obtained from the use of Doan's Kidney Pills mildly expresses what I think."

For sale by all dealers. Price 50 cents. Foster-McBride Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
